

Sport and PE Grant

Following the London 2012 Olympic and Paralympic Games the Government was planning to secure a significant and lasting legacy and to develop children's enjoyment of sport and physical activity from an early age. As a result the Government announced £300 million funding over two years for primary school PE and sport. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. This funding is ring-fenced and can only be spent on the provision of PE and sport in school.

This funding must be used to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the academic year so that they develop healthy lifestyles.

Aim:

It is the aim of Barnes Infant Academy to provide experiences that promote lifelong enjoyment of physical activity and encourage the foundations for an active healthy lifestyle.

Funding Allocation:

Since the introduction of the grant in 2012, Barnes Infant Academy has received a total of £8855 of the Sport and PE Grant each year.

In 2014-2015 the Academy spent this allocation on.

Item/project	Cost	Objective	Success criteria
