

Sport and PE Grant 2020-2021

The PE and Sport Premium funding is an allocated amount of money which is ring fenced and is intended to be used to fund additional and sustainable improvements to the provision of PE and sport for the benefit of pupils. This grant is allocated annually and has been in place since September 2013.

It is to be used;

- to improve the quality and breadth of P.E. and sport provision
- to increase participation in PE and sport so that pupils develop healthy lifestyles
- to enable pupils to reach the performance levels they are capable of.

At Barnes Infant Academy we believe a positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Aim:

It is the aim of Barnes Infant Academy to provide experiences that engage pupils in regular physical activity and promote lifelong enjoyment, encouraging the foundations for an active healthy lifestyle.

Funding Allocation:

Total Amount Carried over from 2019-20	£10,307
Total Amount Allocated for 2020-21	£17,740
Total	£28,047

Impact of funding – 2020-2021

In 2020-2021, the Academy spent £10,938 of this grant on:

- Yoga
- Football Coaching
- Dance
- Play Inspections
- Playground Markings

Item/project	Planned Spend	Actual Spend	Objective	Success criteria
Football (Reception, Year One and Year Two)	£2,210	£1,430	Children taught ball skills by SAFC Coach to improve coordination and gross motor skills	<ul style="list-style-type: none"> • Participation in activity (football/ yoga) increased • Performance levels improved • Development of physical skills and aptitudes • Extension of communication skills • Promotion of personal and social welfare • Support development of healthy musculoskeletal tissues (i.e. bones, muscles and joints); • Support development of a healthy cardiovascular system (i.e. heart and lungs); • Support development of neuromuscular awareness (i.e. coordination and movement control) • Greater sense of personal well-being and mindfulness
Yoga and Mindfulness (Reception, Year One and Year Two)	£1,440	£2,640	Children are taught yoga, which is a form of exercise that focuses on strength, flexibility and breathing to boost physical and mental wellbeing.

Provide young people with challenges and new experiences by allowing them to be creative, active and have fun.	<ul style="list-style-type: none"> • Wider range of outdoor play activities provided • Children learn about cooperation and teamwork • Increased likelihood of children staying fit and active in the future • Physical development improved • Gross motor skills developed • Promotion of social interaction and cooperation
TOTAL	£10,773	£10,938	Remaining monies to be carried over into spend on additional provision from experienced instructors to build capacity and capability within the school to ensure improvements are sustainable for the future.	

Impact of 2020-2021 spend:

- 100% of children accessed a weekly football session for at least one term leading to improved motor skill development in
- 100% of children accessed a weekly yoga session for at least one term leading to improved well-being and mindfulness
- 100% of children took part in a weekly dance session for at least one term leading to improved motor skill development and control

Assessment in July 2021 indicated;

- 81% of children in Reception achieved the expected standard or above in moving and handling in 2021 (89% National in 2019)
- 93% of Reception children achieved the expected standard or above in health and self-care in 2021 (91% National in 2019).
- 27% of Reception children exceeded the expected standard in moving and handling in 2021 (18% National in 2019) and 37% exceeded in health and self-care in 2021 (20% National in 2019).
- 77% of children in Year One were on track in July 2021 to achieve the expected standard in PE.
- 77% of children in Year Two were on track in July 2021 to achieve the expected standard in PE.

Please note;

- assessment data is indicative of the position in July 2021. As a result of the January-March 2021 national school closures this data was not submitted nationally.
- national comparisons therefore cite the end of the previous year 2019

Sustainability:

- Continue to promote sport participation and healthy lifestyles throughout the curriculum
- Continue to establish and maintain a network of partnerships with local community sports clubs and providers
- Continue to be committed to a programme of CPD for all staff and actively respond to CPD needs
- Review providers annually to ensure value for money
- Develop and embed a lifelong habit of daily physical activity e.g. The Daily Mile

Funding of £17,113 was carried forward into the 2021-2022 Academic year.

Sport and PE Grant 2021-2022

Funding Allocation:

Total Amount Carried over from 2020-21	£17,113
Total Amount Allocated for 2021-22	£17,760
Total	£34,873
