Friday 06th May 2022

Dear Parents and Carers,

What a busy two weeks back at school! Hopefully your child is enjoying having a greater variety of clubs to join – I am really pleased that all of the clubs are full to capacity.

Workshops

The first one of this term's workshops is this Monday:

- Managing stress (your own and your child's) 9th May
- Your child's developing brain 16th May
- Maths at home 23rd May
- Autism and your child 13th June
- ADHD/ADD and your child 20th June
- Emotion Coaching 27th June

No need to book, just turn up!

This Sunday sees local dads Andy and Rico undertaking their 13x13 Challenge! See the link for further information: <https://www.justgiving.com/fundraising/andy-and-rico-13x13-challenge>

We wish them the best of luck in their endeavours!

After School Club

Just a gentle reminder that the club finishes at 5.30 Monday to Thursday, and at 4.30 on a Friday. The numbers are capped at 15 children per school. If we are full and you request a place for your child, we will ring the Juniors to see if they have reached their cap, and if not, we can then book your child in. If they have reached their cap, we can't go over the numbers because of staffing ratios. This applies to any child who attends an extra-curricular club after school. If they need a place at the After School Club, please apply in the normal way. Thank you for your understanding.

Have a lovely weekend ☺

Ruth Whiteside
