

Barnes Infant Academy
Year 1 Mathematics Long Term Plan 2021-2022

	Wk 1	Wk 2	Wk 3	Wk 4	Wk 5	Wk 6	Wk 7	Wk 8	Wk 9	Wk 10	Wk 11	Wk 12	Wk 13	Wk 14	
Autumn	<i>Initial assessment and support for address gaps</i>		Unit 1 Place Value Numbers up to 10		Unit 2, 3, 4 Number Addition and Subtraction Methods for addition and subtraction Number bonds and problem solving up to 10.								Unit 6 Geometry Ordinal Numbers	Unit 5 Geometry Shapes and patterns	
Spring	Unit 7 Place Value Numbers to 20		Unit 8 Number Addition and subtraction Numbers to 20				Unit 9, 10 Measurement Length, Mass, <i>Capacity</i>			Unit 11 Statistics Picture Graphs	Unit 12, 13 Number Addition and Subtraction Numbers to 40				
Summer	Unit 13 Number Addition and Subtraction Numbers to 40		Unit 14 Number Multiplication Understanding multiplication		Unit 15 Number Division Understanding division		Unit 16 Measur ement Time	Fractions Finding 1/2 and 1/4	Measurement Money		Unit 17 Place Value Numbers to 100				

Notes:

The timescale shows the rate that children are expected to move through the teaching sequence.

To ensure mastery within each mathematical topic a class may spend more or less time focusing on specific learning objectives to meet the needs of the children. Teaching and learning will meet the individual needs of learners.

Following the COVID 19 outbreak, additional teaching time may be allocated to maths to ensure children have the opportunity to access all of the Year 1 national curriculum. There will be a strong focus on number and geometry. As a school we aim for all children to reach at least the ready to progress criteria set out by the DfE.
