- The Local Committee may delegate functions to committees. Each committee (other than those in a trust with multiple academies constituted as a Local Committee) must contain a majority of Local Committee Governors, but it may also include other people the Local Committee chooses to appoint.
- The remit for committees and Local Committees are set out in the Scheme of Delegation and Terms of Reference for each committee (save for First and Second committees, Headteacher/Principal's Performance Management and Pay Appeal, as the responsibility of those committees is determined by the nature of the reason the committee was called for).
